

DRAGON DUDS GUIDE FOR THE 2018-2019 SCHOOL YEAR

The distinguished uniform code at SRES is a longstanding tradition and one that ties back to our British roots. The uniform generates a distinctive look for all students and creates a strong sense of pride in being part of a singular community of learners. The school strives to work with families to ensure their children are comfortable and in compliance with the uniform expectations which vary within each division. We recommend ordering or purchasing all items by July 15 to ensure readiness for the first day of school. Those needing custom orders should contact Lands' End prior to July 1 as it takes longer to receive these orders.

Lands' End is the exclusive provider for all parts of the uniform except the white and blue shirts, belts, shoes, socks, the SRES tie, and gym uniform. Uniforms can be purchased at the SRES Used Uniform Sale on July 11, through the Lands' End website at Landsend.com/school; or through the Lands' End Shop at Sears located in Castleton Square Mall. Pants & other limited items may be available in the store or you may order directly from the store.

To order through the Lands' End website. Log onto www.landsend.com. Select "Find My School," then "Find my school using my preferred school Number." Enter school code **900121898**, then click "View Dress Code." Sample blazers for purposes of sizing can be found at the front desk at SRES and at the New Family Pizza on the Playground.

Shoes

St. Richard's asks that students in Early Childhood (PK, JK or K) wear closed-toed shoes each day. Students in Grades 1-8, should wear all leather black or brown shoes with dark soles (light colored/white soles are not permitted). Given that female students are permitted to wear pants in all grade levels, boots or shoes above the ankle are not permitted. Students may bring in snow boots for recess. Students in Grades 1-8 should pack tennis shoes for gym class and recess if desired.

Ties

Ties can be purchased at the front desk or at the used uniform sales. Lower and Middle Division ties are different; Grades 1-4 wear dragon ties and Grades 5-8 wear crest ties. Ideally, the tip of the student's tie should end in the middle of their belt buckle or waistband.

Gym Uniforms

Gym uniforms for students in grades 1-8 may be purchased during gym class on the first day of school. Students in grade 1 will not begin changing into uniforms until the second term. The physical education teachers will help all students needing a uniform find the appropriate size and bill student accounts during the first week of school. Used gym uniforms may be purchased at the used uniform sales. It is helpful to have a small drawstring bag for gym clothes to fit inside student backpacks.

Hygiene, Hair, and Accessories

Students are expected to exhibit positive hygiene and maintain haircuts, hairstyles, and hair color that do not distract from learning or the learning environment. In addition, hair must be maintained to allow for eye contact at all times and accessories such as earrings and hair clips should be discreet and subtle, in keeping with the style and tone of the uniform. Please see the student handbook for additional information related to the dress code.

GRADE LEVEL UNIFORMS EXPECTATIONS

Pre-Kindergarten

- Uniform is not required
