WHY ST. RICHARD'S

St. Richard's Episcopal School is the only Episcopal school in the state of Indiana. All are welcome at St. Richard's. Since 1960, St. Richard's has been providing a diverse and international student body with an excellent academic foundation rooted in Episcopal values. Our students are encouraged to ask questions, use reason, and learn wisdom, compassion and humility as they practice the skills they need to be global citizens. Students learn to have honest and respectful dialogue across lines of disagreement and difference as they prepare for lives of leadership and civic responsibility.

Faculty at St. Richard's build lasting relationships with students and families as they implement inquiry-based and talent development curriculum to meet students where they are and encourage students to stretch and grow in a safe space. Faculty and students benefit from our location in the heart of Indianapolis with many field experiences and partnerships for learning and service.

Our most recent graduating class is a good example of the impact of a St. Richard's education. Students in the Class of 2022 were accepted into the high schools of their choice, earned more than \$50,000 in merit financial aid, and are prepared for their next stage in life with knowledge and values for a lifetime.
