

# DRAGON DUDS GUIDE FOR THE 2023-2024 SCHOOL YEAR

## DRESS CODE

St. Richard's Episcopal School believes that being neatly attired contributes to each student's positive self-image and success in the classroom. The dress code is designed to support this belief, and we ask families for their assistance in maintaining the dress code while students are on campus.

The unique uniform at St. Richard's is a longstanding tradition and one that ties back to the British roots of the school. The uniform generates a distinctive look for all students and creates a strong sense of pride in being part of a community of learners. The school strives to work with families to ensure their children are comfortable and in compliance with the uniform expectations which vary within each division.

### How to Purchase:

Lands' End is the exclusive provider for all parts of the uniform except the white and blue shirts, belts, shoes, socks, and the SRES tie. To order through the Lands' End website, log onto [www.landsend.com](http://www.landsend.com). Select "Find My School," then "Find my school using my preferred school Number." Enter school code **900121898**, then click "View Dress Code." [CLICK HERE](#) to receive texts of discounts directly from Lands' End.

### Gym Uniform:

Students in grades 3-8 change for Physical Education classes. Gym uniforms will be distributed to students during their first P.E. class. The physical education teachers will help all students needing a uniform find the appropriate size and bill student accounts during the first P.E. class. It is helpful to have a small draw-string bag for gym clothes to fit inside student backpacks.

## GRADE LEVEL UNIFORMS EXPECTATIONS

### Pre-Kindergarten

- Uniform is not required. Closed-toed shoes are recommended

### Junior Kindergarten & Kindergarten

#### JK and Kindergarten Girls
