

 St. Richard's
Episcopal School

SUMMER 2022

**DRAGON
&
MINI DRAGON
DAY CAMPS**

ABOUT OUR PROGRAMS

Summer 2022 is quickly approaching and St. Richard's Dragon and Mini Dragon Day Camps are undoubtedly going to be spectacular! Campers new and old won't want to miss out on classic favorites and some new and exciting camp offerings. The general summer camp curriculum is composed of weekly themes, specialty field trips, games, crafts, and academic enrichment activities designed specifically with each child's age group in mind. Campers in general camps receive swim lessons and time for pool fun two times a week. In addition to general camps, specialty camps include Games, Games, Games, Fashion Camp, Math Camp and more!

The mission of St. Richard's, an independent Episcopal day school, is to instill knowledge and values for a lifetime through the implementation of our Five Pillars for Success: Faith, Classic Curriculum, Leadership, Civic Responsibility, and Global Readiness. Located at 33rd and Meridian Streets, just north of downtown Indianapolis, SRES offers unique partnerships throughout the city that bring learning to life, a rigorous academic curriculum, three world languages, public speaking and leadership opportunities, a strong fine arts program and organized athletics for continued lifetime success.

UNIQUE PARTNERSHIPS

The central location of St. Richard's allows the school and camp to have unique partnerships and deliver outstanding programming year round. Campers participate in field experiences throughout the city and in nearby parks such as the Indianapolis Zoo, Holliday Park, the Children's Museum and more. See the camp descriptions for designated field trips each week.

The Children's Museum of Indianapolis, only one block south of SRES, is a convenient and popular resource for all grades. We also partner with The Riviera Club, home to SRES campers swimming lessons. Their team of aquatic instructors work with the campers to help develop strong, confident swimmers. Additionally, there is time to explore the outdoor water playground with five pools and 1.2 million gallons of water.

COVID-19 SAFETY INFORMATION

OVERVIEW

Maintaining the health and safety of our campers and counselors is more than a goal... It is a core value of our SRES Dragon Camps. SRES Dragon Camps will be committed to following rigorous, data-driven COVID-19 strategies, recommended by the SRES Advisory Task Force. Working together with our parents/guardians, we will take every precaution necessary to have a fun, healthy and safe summer.

MASKS

As recommended by the CDC and until further notice, all members of the community must wear masks as they arrive and remain on campus. It is expected that there will be times when campers are outside and physically distanced that they will be allowed to remove their masks as the reduced risk of virus transmission will allow for this. In addition to eating or drinking and particularly in the mini dragon camp, there may also be times when all students are physically distanced in the classroom and masks can be removed for a limited period of time. Campers may wear the mask of their choice as long as they follow the SRES mask guidelines (see Need To Know booklet).

HEALTH

When necessary, SRES will provide contact tracing. Campers will be assigned to cohort pods of 15-20, not to interact amongst other groups. Due to varied weekly (expected) camp attendance, pod placements are subject to change from week to week. Our goal is to keep camp groups as consistent as possible.

If a confirmed positive case of COVID-19 is present among staff and/or campers, we will work with the Marion County Public Health Department to follow all necessary contact tracing protocols. Our staff nurse will notify families of all close contact campers as soon as possible. We will also notify the specific cohort.

CAMP OVERVIEW & PRICING

OVERVIEW

SRES offers general Dragon Day Camp for rising Grade 1-8 students and Mini Dragon Day Camps for rising JK (4 by June 1) through Kindergarten students. Specialty camps are also available for all ages. Registration can be completed on our website, www.sresdragons.org (mySRES). Payment for summer camp enrollment(s) is due in full by May 25, 2022. Campers registering after this date will require full payment at the time of registration.

PRICING

General camps are offered on a weekly basis from 9:00 a.m. - 4:00 p.m. with early and aftercare options available. The cost is \$220.00 for enrolled SRES students per week for regular camp, \$260 for non-SRES students per week for regular camp. During the 3-day camp week the cost will be \$135 for enrolled SRES students and \$160 for non-SRES students. The price includes two swim lessons per week and snacks twice a day. Specialty camp prices are listed in the brochure and at time of registration. Half-day specialty campers may join regular camps for an additional \$100 per week. Pricing will be adjusted after registering. Payments may be made through credit cards or e-checks.

Before-care: 7:45 a.m. - 8:50 a.m. - \$25/week

Aftercare: 4:00 p.m.- 5:00 p.m. - \$25/week

Late fees will be billed at the rate of \$1.00 per minute/per child.

There is no fee to be placed on the waitlist. If a spot becomes available in the desired camp, the camper's parent/guardian at the top of the waiting list will be notified via email or by phone call. The parent/guardian will have 72 hours from the time of the notification email or phone call to make payment in full for the desired camp. If the payment has not been received in full, the parent/guardian of the next camper on the waitlist will be notified.

LATE REGISTRATION, CAMP CANCELLATION & REFUND POLICY

A full refund is issued if a camp session is cancelled. Cancellations for a camp week must be requested a minimum of 2 weeks before the respective camp week start date to receive a 100% refund, less a \$10 service charge. Refunds may take two to three weeks to appear in your account. SRES reserves the right to withdraw campers carrying a remaining balance after May 25. A reminder will be e-mailed prior to this deadline. Families registering after May 25 must submit full payment at the time of registration; camp registration closes one week prior to the first day of the camp.

NEED TO KNOW

ITEMS NEEDED (AND NOT NEEDED) FOR CAMP

Campers should pack a lunch and a refillable water bottle for camp each day. SRES encourages packing a healthy lunch to ensure energy for the duration of the day. Candy and soda are not allowed. Please note the school and several of the field trip locations are peanut-free; therefore, SRES summer camps are peanut free.

Students should label all items with their name and will need closed-toe shoes, shoes for the pool if attending a general camp session (and some specialty classes; see brochure description), a towel, swimsuit, goggles, and sunscreen. Students may also choose to pack an extra pair of clothing.

SRES strongly discourages students from bringing electronic devices to camp; this is prohibited for rising JK - Grade 4 students. Rising Grade 5 - 8 students are only permitted to use their devices for purposes of communicating with parents/guardians for transportation. SRES is not liable for lost or damaged devices.

DROP-OFF & PICK-UP TIMES & LOCATION

Camp drop-off is from 8:50 - 9:00 a.m. at the red gym doors **through the alley accessed from 32nd Street between Pennsylvania and Meridian Streets (not through the main entrance off of 33rd Street)**. Pick-up is available from the same location at 4:00 p.m. Families arriving before 9:00 a.m. or departing after 4:00 p.m. should register for before and/or aftercare.

If parents choose to pick up a camper at a different time throughout the day, they should contact the camp director in advance and check the schedule for field trips. All campers picked up outside of regular drop-off and pick-up hours will require the parent(s) to call (317) 926-0425 or (317) 646-0117 (you may text this number) and pick up through the main entrance off 33rd and Meridian Streets. **Parents/guardians are required to show proper photo identification as requested during pick up.**

HEALTH & WELLNESS

Campers who need to take medication during the day must have a parent bring the medication in its original container along with the medication request to the camp director. No child is permitted to keep and take medication on his/her own; appropriate health forms must be completed to indicate the need for the medication. Whenever possible, the camp would prefer all medication be administered at home.

NEED TO KNOW

IN-CAMP ACCIDENT OR ILLNESS

If a child has a fever of 100.4°F, vomits or feels ill, parents will be called to pick up their child from camp. Children should be picked up from camp within one hour of parent notification. When there is a serious injury or acute illness, the camp will attempt to contact parents and the emergency contact number(s) listed by the parent. Paramedics will be summoned to stabilize and transport the child to an emergency room, as determined by the camp director and/or nurse. Continued efforts will be made to contact the parents or the designated contact in the event they are not immediately available.

RETURN TO CAMP AFTER ILLNESS

Before a child returns to camp following an illness, he or she should no longer be symptomatic of illness to other children as determined by the child's physician. Children may not return to camp until they have been fever-free (below 100.4°) for 24 hours without fever reducing medication. In addition, children must not have diarrhea or vomiting for 24 hours before returning to camp without medication. If a child returns to camp and continues to visit the health care provider for a particular illness, the child will need to return home until the illness subsides. Our nurse will determine the return date to camp after a positive COVID-19 test or from a close contact quarantine.

SPECIALTY CAMP OFFERINGS

Week 2 June 6-10

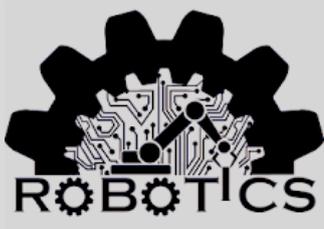

Math, Movies and Problem Solving

Grades: 3 - 6 Time: 9:00 AM - 4:00 PM \$285

Students will have a great time in this camp AND will practice math problem solving at the same time! Students will watch movies throughout the week and each movie will prompt STEM challenges. For example, one of the movies we will watch throughout the week will be Moana. After viewing Moana, students will be led through a series of math problem solving activities that focus on problem solving and critical thinking directly related to the movie. For this particular movie, students will have to construct their own boat out of given materials and see how much weight it will hold on the open sea. The goals for the week will be to sharpen math problem solving skills, see math where we normally may not see it and to have fun!

Robotics Preseason with Mr. Stewart

Grades: 5 - 8 Time: 9:00 AM - 4:00 PM \$250

Students will get a head start on the VEX Robotics competition for next year. They will learn about this year's VEX Robotics competition game while building a drivetrain and learn the basics of building different robot components that can be used on their robots (claws, launchers, sweeps, and lifts.) Students will then program their drivetrain robots to complete an obstacle course autonomously using VEX Block Coding. This camp is not required to join the robotics team in the fall.
